

## EPICO trend 240 2-layer engineered plank

Dimension	2400*240*9,5 mm
Top layer	approx. 3 mm
Composition	HDF, Hardwood cover lamella
Laying pattern	plank
Package size	2,88 m <sup>2</sup>
Pallet size	129,6 m <sup>2</sup> /45 packages
Weight	approx. 7,6 kg / m <sup>2</sup>
Surface	Oil (brushed, bevelled), Matt lacquer (bevelled)
Colourline	Colour oil (brushed, bevelled), Matt lacquer (bevelled)
Types of wood	Oak, Smoked oak
Slip resistenca	Lacquer R10, Oil R10, Oil brushed R11
Profile	bevelled tongue and groove(r+l)
Installation	Full-surface bonding
Adhesive	Parafix Classic
Underfloor heating	Suitable for warmwater underfloor heating
Thermal resistance	0,0504 m <sup>2</sup> / KW
Fire class	Cfl-S1
Sustainability & certificates	PEFC, ISO 14001, ISO 38200, eco-Institut, Building authority approval, CE
Origin wood (oak)	Europe
Production	Austria
Cleaning & maintenance	According to STÖCKL cleaning & maintenance instructions
